n° 1/2011

Material Safety Data Sheet

according to 91/155 EEC

1. Identification of the substance/preparation and company

1.1 Identification of the substance or preparation:

Product: DECORATIVE LAMINATES

Commercial product name: SM'art HPL

1.2 Company/manufacturer: SM'art S.r.l.

Address:	Via Donati Vitaliano 17, 10121 Torino
Country:	ITALY
Telephone:	+39.011.9027092
Telefax:	+39.011.19788054

2. Composition information

Sheets consisting of layers of pulp fibrous material (normally paper) impregnated with thermosetting resins and bonded together by a pressure process.

3. Hazards identification

NONE

4. First aid measures

NONE

5. Extinguishing media

Foam, CO2

6. Accidental-release measures

NOT APPLICABLE

7. Handling and storage

The product should be stored in dry places and it should not be exposed to sunlight.

8. Exposure controls / personal protection

NONE

9. Physical and chemical properties

Specific weight: 1,42 kg/dm³
Calorific potential: 4600 cal/g
Thickness: from 0,6 mm to 22 mm

10. Stability and reactivity

The material is stable, no hazardous reactions known.

11. Toxicological information

NONE

12. Ecological information

No environmental problems known.

13. Disposal consideration

Local laws must be observed.

14. Transport information

Land (ADR): Non hazardous material
Rail (RID): Non hazardous material
Sea (IMO): Non hazardous material
Air (ICAO/IATA): Non hazardous material

15. Regulatory information

Classification according to EC guidelines:
Danger symbol and danger text : NOT REQUIRED

16. Further information

The information herein is given in good faith and regards exclusively the product examined. No warranty, expressed or implied is made. The manufacturer assumes no responsibility for damage/injury deriving from the improper use of the information herein given. Any use of these data and information must be determined by the user to be in accordance with applicable Federal, State and local laws and regulations.
